## Specialization Modules

- Out of the four specializations offered, you will need to have completed two at the end of your study period (i.e. at the end of your third semester)
- To complete a specialization, you need to visit (at least) two seminars (for 3 credits each; pass/fail) and do one module exam (for an additional 3 credits and a grade) in one of the courses visited.
- You are free to participate (for credits) or audit (without credits) additional courses with the instructor's permission. However, first and foremost be sure that you can still handle the course work of your mandatory classes.
- It is not possible to substitute credits earned in one module for credits earned in another module.
- It is also not possible to re-take a module exam that you have already passed (with a grade of 4.0 or better).

Check the [Examination and Study Rules](#) for more detailed and legally binding information regarding the structure of the MPP program. For easy reference, an unofficial English translation of this document is also available.

# Language Courses

**UNIVERSITÄT  
ERFURT**

Willy Brandt School  
of Public Policy

MPP students can choose from a great variety of language courses offered by the University's Language Center. In addition, the Brandt School offers special German beginners' classes for international MPP students.

- Students with no or little knowledge of German take German classes up until level A2 (CEFR)
- Students with A2 or higher-level knowledge of German continue improving their German language skills or opt for another foreign language on offer (e.g. Arabic, Chinese, English, French, Russian, Spanish)
- Also German native speakers improve their knowledge of a foreign language

In addition to courses, the Language Center also offers proficiency exams (Niveaustufenprüfungen) in several languages that you can take (regardless of whether you have taken a course or not) at the end of the lecture period, providing you with a certificate of your level. For current information, please check the Language Center's websites for the respective languages.

**UNIVERSITÄT  
ERFURT**

Willy Brandt School

## Language Module

- Your study rules (“Studien- und Prüfungsordnung”) require that, during your studies, you collect a total of 6 credits and a grade in the language module.
- This means that you can either take one course with 6 credits, or two courses with 3 credits each (3+3=6). Should you decide to take two courses, these must be conducted in the same language, advancing you (at least) one proficiency level in one language.
- Either way, you will have to do one module exam, providing you with a grade. You may take more courses in the language module, if you like.
- A large variety of language classes are offered by the University’s Language Center (Sprachenzentrum). The list of offers is on their [website](#) or on [E.L.V.I.S.](#) (Summer Semester 24 > (ZS) > ZS Acquisition of a language level 2020).
- Students who are not yet proficient in German (level “A2”) must take the German language module.
- Check for schedule clashes with (mandatory) MPP courses, before signing up for a particular class via moodle (see [sign-up procedure](#))!
- Some classes require a placement test beforehand; for the test dates see [here](#).

## German Courses at the UE

Brandt School offers German courses for the lower levels, A1 in winter and A2.1 in summer semesters (see next slide).

Higher levels of German are offered by the language center. Find more information on the [website of the University Language Center](#).

Enrolment for students for German courses at the University of Erfurt will take place from 14.10.24, 17:00 to 16.10.24, 10:00 via Moodle.

You will need to do a [placement test](#) when registering for those courses. They take place Monday, Oct. 14 at 2pm and Tuesday, Oct. 15 at 9 am in KIZ/Pool 2 – no registration required.

## German Courses at the Brandt School

A2 proficiency level required to get degree (M PO Pub 2020, section 5, paragraph 3)

Rationale: for everyday use (as you cannot expect staff in shops or your caretaker at the student residence to speak English)

Brandt School's courses are one offer to achieve that

- Fit in schedule
- Take you to A2 in 2 semesters
- Close guidance with 6h/week

Other ways: proficiency tests, language centre courses: intensive or during lecture period, self-study plus proficiency test

**Who of you will participate in our German A1 class?**
